

A Mighty Fortress

Verse 1

A mighty Fortress is our God
A Bulwark never failing;
Our Helper, He amid the flood
Of mortal ills prevailing:
For still our ancient foe
Does seek to work us woe;
His craft and power are great,
And, armed with cruel hate,
On earth is not his equal.

Verse 2

Did we in our own strength confide,
Our striving would be losing;
Were not the right Man on our side,
The Man of God's own choosing:
You ask who that may be?
Christ Jesus, it is He;
The Lord of Hosts His Name,
From age to age the same,
And He must win the battle.

Verse 3

And though this world, with devils filled,
Should threaten to undo us,
We will not fear, for God has willed
His truth to triumph through us:
The Prince of Darkness grim,
We tremble not for him;
His rage we can endure,
For lo! his doom is sure,
One little word shall fell him.

Verse 4

That word above all earthly powers,
No thanks to them, abideth;
The Spirit and the gifts are ours
Through Him who with us sideth:
Let goods and kindred go,
This mortal life also;
The body they may kill:
God's truth abideth still,
His Kingdom is forever.

God Made Me and You

Chorus

Though we all have a different story
God made me and you, God made me and you
For our joy and for His glory
God made me and you, God made me and you

Verse 1

When God created the heavens and earth
He did it to show off His glory and worth
In Genesis 1, what we see in each verse
Is God made a world that is truly diverse
From icebergs to insects; tornadoes to trees
From lions to lizards; flamingos to fleas
Each in their own way, their God they are praising
Their differences cry out, "God is amazing!"
But the crown jewel of the work of His hand
Are those made in His image, both woman and man
We're not accidents, we are part of His plan
Yup, God made me and you- Let's go!

Verse 2

Just as two snowflakes never are the same
Every person is different, unique in their frame
God made them all of each kind and each sort
He made some people tall and some people short
Dark skin, light skin, and all in between
In each color and shade, God's beauty is seen
The Lord knows the number of hairs on your head
Whether brown or black; whether blonde, gray or red
What some call ethnicity and others call race
We should celebrate as a gift of God's grace
You're wonderfully made from your feet to your face
Yup, God made me and you- Let's go!

Verse 3

At the cross, we see what God's love is about
There's no type of person that Jesus left out
Because Jesus died and rose from the grave
All those who trust in the Lord will be saved
In the book of Revelation, chapter number seven
The church from all times is gathered in heaven
Each tribe and people, language and nation
All thanking God for the gift of salvation
Together forever with saints of all kinds

Through each, the glory of the Lord's gonna shine
This is exactly what God has designed
When God made me and you- Let's go!

Chorus

Though we all have a different story
God made me and you, God made me and you
For our joy and for His glory
God made me and you, God made me and you

Refrain/ Outro

Different colors and different shades
All fearfully and wonderfully made
Through each, the glory of God displayed
God made me and you

Though all are valued, all are lost
All have great need for the cross
Jesus died, rose and paid the cost
God made me and you (repeat)

Jesus Kids

Chorus

A Jesus kid, I'm a Jesus kid
I believe the good news so I'm a Jesus kid
A Jesus kid, I'm a Jesus kid
God can use me too 'cause I'm a Jesus kid

Verse 1

One thing we learn from Jesus' time in this world
Is how much He loves little boys and girls
Big crowds followed Jesus hoping He would heal their sickness
Jesus showed compassion and healed them with the quickness
Some wanted to hear His lessons, others asked Him questions
Some brought children to Him, hoping that He would bless them
Or maybe pray for them, lay hands on the babies
But when they saw this, the disciples got angry
"What do you think this is? He's not a babysitter, is He?
Send the kids away, don't you see the Teacher's busy?"
But Jesus said, "They can come if they please
The Kingdom of God belongs to ones like these
So, please, let the children come to Me and don't hinder
Unless you become like them, heaven you won't enter"
So kids, look to the cross where Jesus hung
And receive eternal life because you're not too young!

Chorus

Verse 2

Story number two is really kind of simple
It's all about some children and what they did in the temple
On this very day, Jesus appeared humbly
He entered into Jerusalem riding on a donkey
The King had arrived, the crowd was so excited
That they began to shout out, "Hosanna in the highest!"
When Jesus got to the temple, some children were there
Blind people came to him and He healed them right there
When the children saw Jesus, you wanna know what they did?
They cried out, "Hosanna to the Son of David!"
Some adults got angry, saying, "You hear what they said?!"
Jesus said, "Yeah I heard them, have you never read,
'From the mouths of infants and nursing babes
The God of the Universe has prepared praise'?"
So kids, trust in Jesus- He can make you new
And you can open up your mouth and sing His praises too!

Chorus

Verse 3

Now story number three is something you gotta see
This one takes place by the Sea of Galilee
Jesus did miracles, showing God's great might
The sick He made well, the blind He gave sight
He healed so many people that He drew a large crowd and then
Wherever Jesus went, He had a lot of people following
That didn't bother Him, He welcomed all that God would bring Him
He healed all their diseases and He spoke of God's kingdom
Well now it was the end of a very long day
The disciples said, "Lord, please send these people away!
They need a place to stay, plus they haven't eaten and..."
Jesus looked them in the eyes and said "You feed them, then."
They looked at Jesus, they looked at the crowd again
They said, "Uh.. Lord there's over five thousand men.
We could work for six or seven months and still that won't equal
Enough to give little bit to all of these people!"
Just then a boy came forward, you know what he said?
"I got a little bit of fish and a little bit of bread"
So Jesus took it, and though it wasn't a whole bunch
He fed five thousand men with a little boy's lunch
Everybody ate, they had food to spare
All because a little boy wasn't too rude to share
So kids, trust in Jesus, that's what you should do
And if you give Him what you have, He can use you too!

Chorus

Only Jesus

Verse 1

Alright, here we go kids, gather around
A brand new sound, to praise the One who has the crown
In today's lesson, we'll talk about the Holy Bible
The most important book we all need for survival
The Bible is God's message for this world
It's for every man and woman, every boy and girl
And that message is that if we turn to Christ
And place our trust Him, we'll have eternal life
Now, when we're at church, yeah it's fun, it's cool
When we hear a lot of stories in Sunday school
Like Jacob and Noah, Moses and Daniel
David and Jonah, Joseph and Samuel
But all the little stories tell one big story
About the God who made all things for His glory
So as we read the Bible it's important that we see this
There's only one hero and his name is Jesus

Chorus

Adam wasn't good enough
Noah wasn't good enough
Abram wasn't good enough
It's only Jesus

Isaac wasn't good enough
Jacob wasn't good enough
Joseph wasn't good enough
It's only Jesus

Moses wasn't good enough
Joshua wasn't good enough
Samuel wasn't good enough
It's only Jesus

David wasn't good enough
Daniel wasn't good enough
Jonah wasn't good enough
It's only Jesus

Verse 2

In the story of the Bible where should we begin?
When God made the whole wide world just by speaking
By His great might, He said "Let there be light."
The light He called "day" and the dark, He called "night"
He made the earth and the seas, The dirt and the seeds
The herds and the trees, The birds and the bees
But the big surprise God had up His sleeve
On day number six created Adam and Eve
Made in the image of the beautiful Most High
God told them, "Be fruitful and multiply"
Everything's yours, but that tree- do not try

12 Cause in the day you eat it, you're surely gonna die
I'm sure you know the rest, yes, they failed the test
And ever since then, the world has been a big mess
So as we read the Bible it's important that we see this
There's only one hero and his name is Jesus

Chorus

Verse 3

If you notice when we read God's Word today
The greatest saints have their flaws on full display
And it was written down for us in order that we may
Recognize that Christ is the only way
Adam ate forbidden fruit and lost his life
Abraham got scared and lied about his wife
Sarah laughed to herself when she heard God's promise
Rebekah encouraged her son to be dishonest
Aaron used crafts to make a golden calf
Moses got mad, struck the rock with his staff
David sinned greatly- even lost his baby
And Jacob? He was just all around shady
The point is not to make light of our flaws
But to show that every one of us needs the cross
So as we read the Bible it's important that we see this
There's only one hero and his name is Jesus

Chorus

Our Father in Heaven

Chorus

Our Father in Heaven
Hallowed be Your name
Your kingdom come, Your will be done
On earth as it is in heaven
Give us this day our daily bread
And forgive us our debts
As we've forgiven our debtors
And lead us not into temptation
But deliver us from evil
Deliver us from evil, Deliver us from evil

Verse 1

Once upon a time there was a great big wall
That stood between you and God
But then Jesus Christ came and paid it all
When our Lord was crucified
Before this time our sin and vice
Meant we could only come to God with fear
But now, through faith in the risen Christ
We can pray and God will hear
And though we can't see Him, He's close, not far
So it really doesn't matter how old you are
Because of Jesus, your heavenly Father smiles
On you because you're now His child- You can pray

Bridge

We pray, we pray, because we need God everyday
We pray, we pray, because we need God everyday

Chorus

Verse 2

Because our sins are forgiven, now we can pray
To our Father in heaven above
We can come to our God at anytime of the day
And He'll receive us, so great His love
He wants us to talk to Him with a sincere heart
And rejoice when we're really glad
And when it seems like things are falling apart
We can pray when we're feeling sad
And when we do bad things we confess our sins
We can pray all alone or with our friends
Because of Jesus, we can cast all our cares
On God, Cause He's always there- We can pray

Bridge

Chorus

Verse 3

We pray that Jesus would be adored
Worldwide, that He would be praised
We pray for our friends that don't know the Lord
By God's grace they would be saved
We pray that our Father would help us grow
To make us look more like His Son
We pray that His ways He'd help us know
Above all that His will be done
We pray that God would provide all our needs
That we would glorify Him in all our deeds
Because of Jesus and how He died in our place
We can come to the throne of grace- we can pray

Bridge

Chorus
