

**Worship God**  
**ft. Phanatik & Wes Pendleton**

Chorus

Made to worship God  
Yes, we were made to worship God  
He made us and He save us  
Made us and He saved us

Verse 1

Make a joyful noise to the Lord, all the earth  
Worship God and praise Him for all He's worth  
Arrayed in splendor, Holy and happily  
Our Great Defender, robed in His majesty  
Sovereign, awesome, not one flaw in Him  
Let the inhabitants of the earth stand in awe of Him!  
For He spoke and the world came into existence  
To save His people, He travelled the greatest distance  
From heaven to earth, then to the cross  
For the sins of the lost at an infinite cost  
Exalted to heaven, soon to return  
Our soul's great desire, for You do we yearn

Verse 2

Let the church recite these words together:  
The Lord is good; His love endures forever  
There is only one God who truly lives  
Give praise to His Holy name for who He is!  
The one who said, "Eternal life is to know Me"  
We cry out with the angels, "Holy, holy, holy"  
Immutable, invisible, gracious and merciful  
Beautiful, invincible, faithful and personal  
All His ways are just- even His wrath is right  
Gave His Son Jesus Christ as a sacrifice  
The Lamb was slain and was raised from the grave so  
Let the redeemed of the Lord say so

Chorus

Verse 3

Make a joyful noise to the Lord, all the earth  
Worship God and praise Him for all He's worth  
Arrayed in splendor, Holy and happily  
Our Great Defender, robed in His majesty  
Sovereign, awesome, not one flaw in Him  
Let the inhabitants of the earth stand in awe of Him!  
For He spoke and the world came into existence

To save His people, He travelled the greatest distance  
From heaven to earth, then to the cross  
For the sins of the lost at an infinite cost  
Exalted to heaven, soon to return  
Our soul's great desire, for You do we yearn

Verse 4

(Shai and Phanatik)

Holy, holy, holy, Oh my God, what can I say?  
All praise be to heaven's King- Yahweh  
Lord God, you're worthy early in the morning  
You get glory from dusk til dawn and  
Infinite wisdom, we'll never grasp it  
You've got eternity outlasted  
Matchless, King of all, worthy of honor  
To Thee we ascribe glory Shekinah  
May we from Thee never be severed  
I'll sing praise to your name forever  
El Elyon, far beyond, yet close by  
Nobody does it like God- The Most High!

**Be Glorified (Psalm 55)**  
**ft. Chris Lee Cobbins**

“Cast your burden on the Lord, and he will sustain you; he will never permit the righteous to be moved.” (Psalm 55:22)

Verse 1

Gracious God please hear our cry  
Restlessly we moan and sigh  
Oppression makes us wonder "why"?  
Be Glorified

Hate surrounds us everyday  
If we had wings, we'd fly away  
Find a place to rest and stay  
Be glorified

Verse 2

In the city we see strife  
Violent disregard for life  
Lord, come down and make things right  
Be Glorified

Betrayed by foes we thought were friends  
Whose godliness was just pretense  
Lord, repay them for their sins  
Be Glorified

(Shai)

We live in hard times, a diabolical era  
God's enemies cause psychological terror  
A few observations- it's the true God they're hatin'  
The plot of Satan to intoxicate the population  
On the way to their graves, they're slaves  
To the prince of the power of the airwaves  
His tunes are blasphemous, the fumes are hazardous  
The masses get consumed, it's doom for the pacifist  
We are not immune- we were goons and savages  
The Bridegroom snatched us from the tomb like Lazarus  
So nowadays we conspire in the laboratory  
Plotting ways for Messiah to grab the glory  
It's mandatory cause Jesus owns everything  
We get to sing precious things when we rep the King  
To those living hard Christian lives, going through  
I'm pointing you to Psalm 55:22

Verse 3

Cast your burdens on The Lord  
He will give strength to endure  
You'll stand firm forevermore  
He's glorified

God is just, He will repay  
At the cross or judgement day  
Those who know Him love to say  
Be Glorified

“But I call to God, and the Lord will save me. He redeems my soul in safety from the battle that I wage, for many are arrayed against me. But you, O God, will cast them down into the pit of destruction; men of blood and treachery shall not live out half their days. But I will trust in you.”

(Contains portions of Psalm 55:16,18 and 23)

**Nothing But The Blood**

What can wash away my sin?  
Nothing but the blood of Jesus  
What can make me whole again?  
Nothing but the blood of Jesus

Chorus

Oh! precious is the flow  
That makes me white as snow  
No other fount I know  
Nothing but the blood of Jesus

Verse 2

For my pardon, this I see  
Nothing but the blood of Jesus  
For my cleansing this my plea  
Nothing but the blood of Jesus

Chorus

Verse 3

Nothing can for sin atone  
Nothing but the blood of Jesus  
Not the good that I have done  
Nothing but the blood of Jesus

Chorus

Verse 4

This is all my hope and peace  
Nothing but the blood of Jesus  
This is all my righteousness  
Nothing but the blood of Jesus

You Alone Are God  
ft. Chris Cobbins

All the nations you have made shall come and worship before you, O Lord, and shall glorify your name. For you are great and do wondrous things; you alone are God. (Psalm 86:9-10)

Verse 1

Before the worlds began  
You are the great I Am  
Father, Spirit and Son  
Eternal three in one  
Fulfilled within Yourself  
In need of no one else  
Even though all things change  
You still remain the same  
You alone are God

Verse 2

You spoke, it came to pass  
A universe so vast  
Most things no eye can see  
Yet still bring You glory  
The man you made rebelled  
Condemned himself to hell  
It was all in Your plan  
To glorify the Lamb  
Mighty is our God

Verse 3

You left Your awesome throne  
To justify Your own  
Flesh cloaked Your majesty  
Oh, what humility!  
And though all things are Yours  
You made Yourself so poor  
You walked a perfect path  
Yet bore the Father's wrath  
Holy is our God

Verse 4

Jesus, You died for me  
And now abide in me  
What can I give to You?  
Lord, help me live for You  
Help me stay in Your Word

Help me obey You, Lord  
And when we finally meet  
I'll cast my crown at Your feet  
You alone are God

**Our Treasure Interlude**  
**ft. Leah Smith**

A holy nation of priests  
Called from darkness to light, now we're told  
Proclaim His excellencies  
For His beauty is sweet to our souls

At His right hand are pleasures forevermore...

**ft. Joint Heirs**

Verse 1

Behold, the Lord appears in the sky  
Come, Lord Jesus, come!  
His majesty seen by every eye  
Come, Lord Jesus, come!  
The sun goes dark and the moon won't shine  
The stars fall down, see the heavenly sign  
The trumpet sounds for the very last time  
Come, Lord Jesus, come!

Chorus:

Come, Lord Jesus, come (2x)  
Come quickly, Lord! (call and response 4x)

Verse 2

Glorified saints shall all be amazed  
Come, Lord Jesus, come!  
The dead in Christ shall rise from their graves  
Come, Lord Jesus come!  
God has arrived and the universe shakes  
The dawn of the age to come now breaks  
Satan and his angels tossed in the lake  
Come, Lord Jesus, come!

Chorus

Verse 3

Lo and behold, it's the Great White Throne!  
Come, Lord Jesus, come!  
The earth ran away, and the skies have flown!  
Come, Lord Jesus, come  
Books opened up 'cause the Judge is true  
All shall receive what is justly due  
Who can escape from death number two?  
Come, Lord Jesus, come!

Chorus

Verse 4

All the elect gather 'round their Christ  
Come, Lord Jesus, come!

See our names in the Lamb's book of life  
Come, Lord Jesus, come!  
Death swallowed up- triumph of the King!  
Where is your victory? Where is your sting?  
"Worthy is the Lamb" is the song we'll sing  
Come, Lord Jesus, come!

Chorus

Our treasure is Christ  
Our joy, our delight  
In Jesus alone our souls are satisfied (repeat)

Verse 2

Stoop so low to call sinners His friends? (repeat)  
At His right hand are pleasures forevermore

Verse 3

When Christ returns again  
With one word, all His foes He'll destroy  
Then we'll be free from sin  
Glorified in the fullness of joy (repeat)  
At His right hand are pleasures forevermore

## Dedication (Remix)

Lord Jesus, I dedicate this to You, all praises are due  
to the Holy One, faithful and true  
You give me faith to pursue You, reshaping my view  
I'm loving it just because it's unmistakably You  
I just prayed for a few, contemplating soberly  
How the ocean of Your love and grace wash over me  
Cleansing me of my guilt, my sin and my filth  
Your mercy tearing down all of the defenses I built  
All the excuses I'd come up with in foolish pride died  
When You were crucified in pursuit of Your bride  
What a labor of love, how You came from above  
It's not a fable, hard to label what You're capable of  
Lord, I bug as I chew on how You performed the best  
I'm blessed because You threw on a uniform of flesh  
And played the game perfectly  
I stand wide-eyed on the sideline because You came to do my work for me  
I'm sinful; I need You to subdue my corruption  
Otherwise, I'll foolishly pursue my destruction  
There's nothing good in me, that's a fact and it's true  
If there is any good, then it's actually You  
Your promise won't diminish, the work You started, You will finish  
To present us holy and blameless without blemish  
I've tasted the sweetness of Your kindness and Your grace  
And can't wait to peep the brightness of Your face  
Shining so radiant I'm finding it amazing  
I'll need a glorified body not to be blinded when I gaze at it  
The pages I flip, I see You painfully whipped  
Veins ripped, You flipped the script when You raised from the crypt  
From the cup of Your salvation, I've taken a sip  
I've been saved by Your grace, even my faith is a gift  
You released me from Satan's grip  
So Lord Jesus, please accept the feeble praise from my lips

### Chorus

I could go on an infinite search  
And find none who can match your unlimited worth  
The Holy One of Israel, all-consuming fire  
The King of Eternity, my heart's true desire  
Crucified and risen- The Lord is on high  
With grace on your lips and a sword on your thigh  
I praise your holy name Jesus, I will not apologize  
It's only right I doxologize

### Verse 2

Lord Jesus I dedicate this to You, You're shaping me to  
Look like a replication of You

And that's the greatest honor I could possibly receive  
The future God guarantees is not to be conceived  
by my finite human mind I'm assuming  
When I'm glorified, I'll shine- You'll illumine  
Eternal fellowship intertwined in a union  
With You- reminiscent of our time in communion  
No traces of night- the greatest Son light  
You'll chase away fright when my faith becomes sight  
In heaven, even though I'm thankful for Your blessings  
Heaven is only heaven because of Your presence  
If that's what the future holds, shouldn't I pursue the goal  
By faith to behold You now? Water to my soul  
And your Word is sweet, every verse unique  
I meet You at the mercy seat where we converse and speak  
Beyond the curtain, I pour out my burdens  
Tell you how I'm hurting, I'm so undeserving  
Mindful of my sinfulness and my blemishes  
that feel limitless, it only highlights Your love's endlessness  
And your tenderness, Lord you're so generous  
Infinite evidence, who can count Your benefits?  
My sin should be exposing me to suffer  
Instead You've been the Friend who sticks closer than than a brother  
Lord, You know me better than anybody else does  
And yet You love me more than anybody else does?  
I can't imagine that I'll ever get over this  
How You love without compromising Your holiness  
My God, it gets to me- how is it this can be?  
Empower me to see Calvary's mystery  
Jesus, I love you- for that, no apology  
Special dedication: doxology

Chorus

**To The Praise of His Grace**  
**ft. Leah Smith**

Verse 1

From birth we were sinners and rebels  
Born dead, on a dangerous path  
We followed the ways of the devil  
By nature, were children of wrath  
But God, being rich in His mercy  
Has given us life from above  
Sent Jesus to save the unworthy  
The greatest expression of love!

Chorus

Hallelujah, Hallelu  
Hallelujah, Hallelu

Verse 2

The LORD has provided atonement  
Through faith in the Lamb we receive  
And we cannot boast for one moment  
It's only by grace we believe  
We're seated in heavenly places  
United with Jesus our King  
God's kindness in all coming ages  
Will cause us to worship and sing

Chorus

Verse 3

The gospel of grace we proclaim it  
We now live to spread Jesus' fame  
We labor, for God has ordained it  
Good works for the sake of His name  
The same grace that saved us will keep us  
Bring us to our heavenly home  
To gaze on the beauty of Jesus  
To God be the glory alone!

Chorus

Light and Heat  
A Poem by Blair Linne

Here is another "ology"  
That will lead you to adore the Lord in His sovereignty

But, if I can speak honestly  
Some Sundays we walk to the temple of worship  
Forgetting that we should already be a temple of worship  
That before we make it to church  
Your glorious praises should surge in us first  
Too busy trying to steal glory in Your chapel  
That it's no wonder why we're shackled  
Cause we're only concerned with Adams apple  
Vocal chords, rather than if hearts are open to the Lord  
But these hymns hummed in the dopest chords  
Are babbling tongues groping for awards

Lord you deserve an apology for our lack of doxology  
Lord you deserve an apology for our lack of doxology  
Because our theology shows that we are wounded sheep  
hunted by a cutthroat world dressed like a brute beast  
A little fox, a little yeast  
Trying to snuff out the love we have for our High Priest  
Our Bridegroom  
Some tell us to run around our pews like a typhoon  
Replacing truth-filled tunes with emotionalism  
Coaxing people to praise,  
Get up on your feet, otherwise "Y'all must not be saved."  
Rather than get excited about You, hearts often leap  
Once they tell us it's our season to reap- even though they say it every week  
They season services with lies  
The truth is, every season is God's season guys  
But we run to the other extreme too  
and adopt a stoic supreme view  
By saying we should be still, afraid to feel  
Remove all keys, drums and steel  
So our praise is filled with joy kill  
Like Golgotha is where the story ends  
You get more rowdy when your sports team wins  
Its like worship wars amongst different body limbs

But lets place our attention on the One who atoned for sins  
In order to bring us back in fellowship with Him.  
See we are filled with the Holy Spirit, once we've been reborn  
We all should lay prostrate affected to the core  
Changed  
Hearts softened by Your mercy  
Isaiah 6, we're dirty, but You're worthy  
Lord we're thirsty  
For Your uncommonness

Turn our attention away from worthless things  
Since doxology is the giving of glory rightly  
Psalm 63:4 all day and night, we...  
Extend praise, hearts ablaze, hands raised  
Standing amazed at the One who is Almighty  
Forgive us Lord, for lessening Your worth  
Help us to glory in our Redeemer  
Signed, Your universal church

P.S.: There still is another "ology..."

## Psalm 37 (Remix)

### Verse 1

Fret not yourself because of evildoers  
Be not envious of the ones doing wrong  
For they soon will fade just like the grass that withers  
Trust in God, He'll give you strength to make you strong  
Trust in God, He'll give you strength to make you strong

### Chorus

Trust in God, He'll never leave you all alone (repeat)

### Verse 2 (rap)

Through Christ, every spiritual blessing beings to us  
Therefore, be not envious of wrongdoers  
You see, when we buy the lies the world tells us  
It's easy to idolize or feel jealous  
But cats today who flash and masquerade  
At last will fade like grass and pass away  
Stop admiring the dark and aspire to be smart  
Delight in God, He'll give you the desires of your heart  
He never failed anyone who trusted Him- that's real rap  
Commit your way to God by faith- He will act  
Christ's righteousness in us, shining radiantly  
Be still before the Lord, waiting patiently  
These people are lifeless with evil devices  
But eternal life in Christ Jesus is priceless  
And He changed us so we could refrain from anger  
Against deranged strangers who remain in danger  
Of God's wrath 'cause they don't cherish His worth  
Or share in this birth, the meek shall inherit the earth  
Child of God, don't let the wicked get you upset  
Their time is temporary just like a sublet  
Yeah, they're acting out right now and they got jokes  
But soon enough they'll all vanish away like smoke  
They're on the path to regrets but the one whom the Master directs  
Yes, the Lord will establish his steps  
I've been around a while now, a lot of lives have been taken  
But never have I seen the righteous forsaken  
But I saw a wicked man once come to my town  
Running around, stunting with a thunderous sound  
Time passed and he wasn't to be found  
You wondering how? It's quite simple- he was under the ground  
But for those who make Christ crucified their foundation  
They'll find out that from the LORD is salvation

### Chorus
